

R	27	1
S+U	36	655
	R	S

A 2x2 contingency table with a red cell (36) and an orange cell (1). The rows are labeled R and S+U, and the columns are labeled R and S. The cell containing 36 is red, and the cell containing 1 is orange. The other two cells (27 and 655) are light gray.
